**Media release**

Reinach (Aargau), 26 May 2020

**Uwe Bauer - Head of R&D at Aluflexpack**

Mr Uwe Bauer joined the Aluflexpack (AFP) Group as Head of Research and Development as per 25 May 2020.

This position was newly established to further strengthen AFP Group's organization and assure continuation of its successful and sustainable growth.

Mr Bauer is 55 years old, German citizen and holds a degree in Chemical Engineering and a Doctor in natural sciences. Mr Bauer brings over 25 years of experience in leading positions in the packaging industry at Tannpapier (Mayr-Melnhof Group), Greiner Packaging, Reuther Verpackung and 4P Verpackungen.

“We are very happy that Uwe joined our team: we are currently intensively working on the finalization of the development and introduction of a range of attractive new products, mainly developed with our customers within our sustainability initiatives, and the optimization of existing ones. We are sure Uwe will quickly integrate in our team due to his know-how and entrepreneurial mindset and help us not only to successfully finalize the running projects but also greatly contribute to our future development”, says Igor Arbanas, CEO of Aluflexpack Group.

Uwe Bauer adds: “Aluflexpack successfully developed and introduced so many new products in the recent past, demonstrated great agility and has excellent reputation in the industry. I am very much looking forward to working with this team and contributing to Aluflexpack's success story.”
